

# What's your outdated thermostat wasting

Budgets are tight enough these days without wasting money and energy. By taking advantage of lower energy rates available most of the day, our Energy Planner<sup>SM</sup> program can help you save about a month's worth of electricity each year.\*

The advanced thermostat, installation and participation are all free. In fact, we'll even include a free energy audit and eight energy-saving light bulbs to maximize your savings.

\*Savings may vary.

Advanced thermostat helps you keep energy costs low.
